WEDDINGS & EVENTS

Congratulations, it's time to start planning your big day!
This handy checklist will help keep you on track during the wedding planning process,
and guide you through what to do when.
Happy planning!

First things first...

- Insure your engagement ring!
- Discuss with each other the type of wedding you both want
What's important to you and your must haves
- Set your wedding budget
Establish your top priorities and areas where you want to save/splurge. Set up up a spreadsheet to track spending
- Gather inspiration
Explore Pinterest and start pinning wedding inspiration, keeping expectations realistic

12 months to go

- Confirm the Registrar / Church is available on your preferred date
- Confirm your wedding venue
Review & sign contract (make sure to check what is included in the venue hire, don't assume that because you see something in the venue it is included as part of the venue hire), pay deposit
- Set up a wedding website

12 months to go

- Draft your initial guest list
This will give you an estimate of guest numbers, which are key for your budget, venue and catering
- Decide on ceremony type, define wedding style and wedding vision
Civil, religious, celebrant ceremony; country house wedding, marquee wedding as examples
- Hire a professional Wedding Planner
- Decide on your preferred wedding date and location
Think about your favourite season / location / time of year
- Invest in wedding insurance
- Research venues and visit your favourites
Visit your shortlisted venues before you decide on your final choice. Some venues do book up 12 - 18 months in advance, so be sure to tick this off your list early.
